# Southeast Asia's Leading Plastics & Rubber Exhibition!

Plastics & Rubber Indonesia is the only event in Indonesia dedicated to the plastics and rubber industry. Returning for its 35th edition on November 20–23, 2024, at JIEXPO Kemayoran, Jakarta, this year's theme is Circularity and Sustainability in the Plastics Industry.

The exhibition attracts national and international exhibitors and visitors, showcasing the latest trends, technologies, and innovations. It features seminars, workshops, and interactive programs, offering valuable insights and networking opportunities.

Organised by Pamerindo Indonesia (part of Informa Markets) and Messe Düsseldorf Asia, Plastics & Rubber Indonesia is the must-attend event for professionals looking to learn, connect, and grow in the plastics and rubber industry.
